Next step

4. Make Sure to read Eligibility Criteria before applying & update your Academic information by entering your current academic data.
5. On next page enter your information for **Contact Verification**. Add your **mobile number** and **email address** to verify them, as shown in below picture.

NOTE: If your Mobile Number or Email is now changed, you can enter your current data as well, else you may proceed with your existing mobile number & email as well.

6. Enter your **valid personal mobile number** to receive verification code on mobile. Type your number then click on **send code** button. A pop up will appear on screen to confirm that code has been sent to your mobile number. Click **OK** to close the popup, as shown in below picture.

NOTE: If you face any delay in receiving your mobile code, make sure to not use a converted number e.g., Telenor sim converted to Jazz Network etc. Code will be received within 5-10 minutes so, do wait.

7. For Email verification Code, open your mailbox and check both **Inbox** as well as **Spam folder** to find email from HEC containing verification code.

- Once you receive both codes, enter in their respective boxes on and click on **verify code** button to verify your phone number & email address, as shown in below picture.
